## Luís de Freitas Branco Room

---

This unique room is located on level 1, next to the reception area of the Conference Centre at the Centro Cultural de Belém. It is a medium-sized room, whose architecture and location make it one of the most distinctive rooms at the CCB. Its characteristics and equipment mean that it can be used for a wide variety of different events. It has three support rooms, a central control unit and nine booths for simultaneous translation. It also has several adjoining areas, and is preceded by a foyer with an area of 276m<sup>2</sup>, where the Eugénio de Andrade Room is also located, which makes it possible to use the two rooms jointly if necessary. The foyer is ideal for small exhibitions and/or catering.
